**B**ayley & Sage first opened its doors in the heart of Wimbledon Village in the autumn of 1997. Founded by Jennie Allen and a hand-picked team from the Cullens group of food stores where she had been MD, it quickly established itself as a destination shop for foodies.

The stores offer over 3000 lines of great tasting food, including fresh seasonal produce and over 130 cheeses meticulously sourced from all across Europe, fantastic artisan breads, organic meat and fish straight off the boat from Cornwall.

The company is gaining a reputation as one of London's best food stores, through quality, knowledge and provenance. Now with six stores – in Wimbledon, Parsons Green, Turnham Green, Fulham Road, Wandsworth and Battersea – further plans for expansion are in the pipeline.
