Bon Pan Asian is a brand new Pan Asian Restaurant concept masterminded by **Aiden Kang**, who has over 18 years of restaurant and catering experience across both the Far East and as a partner at Cosmo in the UK.

Bon intends to focus exclusively on Pan Asian cuisine, with a banquet of over 150 dishes, all of which are freshly prepared by our skilled chefs using the finest ingredients. Bon aims to provide customers with a quality *a la carte* service at buffet prices.

Bon opened their first site just prior to Christmas 2015, a 13,750 sq ft restaurant at the new leisure extension at Intu Potteries, Stoke-on-Trent. At Stoke, Bon sits on first floor level above a number of similar national casual dining and leisure brands and close to the cinema.

This format works well and going forward we are seeking similar scenarios in town/ city centres adjacent to leisure anchors ideally cinema and/or bowling.
