office locations.

Minimum 600 sq ft
up to 1,200 sq ft.

New leases – no premiums.

Minimum 10 year term.

Hummus Bros is a London-based chain of six restaurants serving healthy and tasty Mediterranean food. We've always been famous for our hummus bowls, but we've added wraps, quinoa, soups and salads to the menu.

We cater for events and meetings and operate pop-ups.

In addition, we have capitalised on London's trend for at-desk dining and teamed up with the best delivery partners and caterers.
