Gökyüzü is a family run and owned group of Turkish restaurants, which opened its first doors in Harringay, in 1999. Three more restaurants followed, one each in Walthamstow, Chingford and Finchely.

All four offer an authentic Turkish dining experience, with fresh, quality ingredients and a warm welcome.

It's now time to spread the **Gökyüzü** word and brand in other parts of London and our client is keen to consider any options that fit their criteria.
